How to pay your fees

Apply and pay online

Payment is done when you submit your application. **This is the only way to pay for an eTA application.**

You can pay with a credit or debit card.

Start an online application by following these steps:

- [Answer a few questions to find out if you are eligible to apply.](#)
- If you are eligible, you will be taken to the application form. Once the form is complete you will be able to pay.
